REASSERTION OF ENTITLEMENT TO SMALL ENTITY STATUS
AND REQUEST FOR REFUND

Sir:

On March 10, 2010, Patentees paid the 3 1/2 year maintenance fee in connection with the above-identified patent. However, the maintenance fee records in the Patent Office did not accurately reflect the small entity status of Patentees and the large entity maintenance fee was inadvertently paid.

Patentees maintain and hereby reassert their entitlement to small entity status under 37 C.F.R. § 1.27. Pursuant to 37 C.F.R. § 1.28, Patentees hereby request a refund of the difference between the large entity maintenance fee (\$980.00) and the small entity maintenance fee (\$490.00). Please credit the \$490.00 difference to Deposit Account No. 502203. This request is being submitted within three months of the timely payment of the full maintenance fee and therefore is believed to be timely and proper.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 502203 and please credit any excess fees to such deposit account.

Respectfully submitted,

McDERMOTT WILL & EMERY LLP
